Dear Dave:

We had quite a crowd here at our last regular meeting on the 5th of April, and after a lot discussion with a show of hands on the issue of Rotation Credit, the following motion was made by Director M. Marx Hintze:

That the BLRID continue with Rotation credit as has been done traditionally in the past, that a large number of irrigators agreed this was necessary and should be continued. That if IDWR needed to fine tune this with Rules then that could be done also. Second to this motion by Director Don Aikele, Aye vote by Director Richard E. Reynolds, Director Lewis Rothwell abstained, motion carried.

Yours truly,

M. Marx Hintze
Secretary-treasurer
